

John Gutierrez

*Business Consultant
MBDA Business Center
Government Partnerships and Programs
University of Southern California*

Mr. Gutierrez is a Business Consultant for the Minority Business Development Agency Business Center in Los Angeles operated by University of Southern California Government Partnerships and Programs. As a Business Consultant, Mr. Gutierrez provides one on one specific and technical assistance to potential clients in the areas of Local, State, GSA, Federal (8A) Certification, loan packaging and financial management.

Prior to joining MBDA Business Center in Los Angeles, Mr. Gutierrez has over 20 years of experience with various roles in management with National Residential / Commercial Leading companies and International Real estate Development.

Mr. Gutierrez has been a consultant to small business owners and empowers them through education, technical and implementation techniques. He is driven by passion and a sincere desire to provide measurable economic impact to the small business community.
